

**Polar Plus is a mid-range quality Ice Melter with Econo pricing – superior performance to other Econo blends.**

- With Calcium Chloride for effectiveness to  $-23^{\circ}\text{C}$  ( $-9^{\circ}\text{F}$ )
- As with all Keg River Ice Melters, we coat each granule with Calcium Chloride brine to improve performance – a technique used by highways departments to improve the melting performance of salt.
- Comparable Products: *Similar composition to Kissner Ice Melters, True North (Xynyth) and Unisource Ice Melters, except higher melting performance than each owing to Polar Plus' Calcium Chloride content.*
